Begin your trip with one of the most stunning wildlife experiences out there - trekking to see wild mountain gorillas in Rwanda, while staying at the uniquely designed Bisate lodge.

A stay at Gibbs Farm is the perfect place to start in Tanzania, with memorable game viewing from the floor of the Ngorongoro Crater and the classic charm of farm life. Experience ultimate luxury at Singita Faru Faru, set alongside the Grumeti River in a private game reserve bordering the Serengeti. Cottar's 1920s Safari Camp provides the romance of safari under rich canvas tents, mirroring the era of the classic twenties' safari. A quick stopover in Nairobi allows guests the opportunity to 'adopt' and feed baby elephants at the Daphne Sheldrick Elephant Orphanage.

And finally, a white sand beach surrounded by cerulean seas is the perfect place to end your romantic getaway, with remote relaxation at the Four Seasons Resort Seychelles.
